The current Chairman of the Mentone Chamber of Commerce, Dr. George Everett was delighted to present a beautiful plaque to Sonya Balingit, Principal of Mentone Elementary School, dedicating the plaque in honor of the schools California Distinguished School Award for 2014

The Mentone Elementary School was recognized as one of 424 elementary schools in California. They will be attending a regional California School Recognition Program Awards Ceremony in June.

The plaque was presented at the Mentone Area Community Association meeting. This 501(c)(3) Public Benefit Corporation is comprised of concerned citizens from Mentone, Crafton, Millcreek, and Greenspot areas. Every month there are local and county professionals invited to come and speak to update the community on various projects or accomplishments, such as this distinguished award.
